

Teen Intervene

Program is designed to provide education, support and guidance for teens that have experienced mild to moderate substance use.

Program also offers parents and guardians the opportunity to learn healthy communication skills and the importance of establishing family rules surrounding substance use.

Teen Intervene Hazelden Curriculum

The Admission Process

Referral

Anyone who is concerned about a teen's substance use can refer him/her to the program. This could be a parent, school professional, law enforcement official or a concerned person.

Assessment

Program is geared to help teens who have experienced mild to moderate substance use. A CARE assessment is encouraged to rule out a diagnosis of addiction.

Program Session

The program will run on Saturday from 9AM - 4PM and will occur simultaneously for teen and parent/guardians.

CARE of Southeastern Michigan's mission is to educate, link and support individuals, families, businesses and communities affected by family concerns, workplace challenges, mental health conditions and the misuse of alcohol, tobacco, and other drugs.

CARE (Community Assessment Referral and Education) is dedicated to the prevention of alcohol, tobacco and other drug use. Federal, state, and local funding have been provided through Macomb County Community Mental Health/Office of Substance Abuse to support project costs.

Recipients of substance use services have rights protected by state and federal law and promulgated rules. For information, contact CARE Recipient Advisor, 31900 Utica Road, Fraser, MI 48026, PH: 586.541.0033 or State Recipient Rights Coordinator, P.O. Box 30664, Lansing, Michigan.
