2010-2011 School Year

To whom it may concern:

CARE – Community Assessment Referral & Education, is a 501(c)(3) non-profit agency providing drug prevention and education services throughout Macomb County .

CARE is an agency that promotes the empowerment of individuals and families through relationships with schools, businesses, public services and other community based organizations. Solution-focused programs and activities are designed to strengthen individuals in their role as employees, students, and as family members.

One of these programs is T3 – Teens Talking Truth. T3 is a group of motivated teenagers from 9th to 12th grade, from school districts all throughout Macomb County, who learn about issues regarding and related to alcohol, tobacco and other drugs. Each year they host a youth-led conference at which they will present to approximately 300 of their peers on these topics.

T3 meets once a month at CARE to prepare for the conference and have fun together; while learning leadership and resistance skills!

Our 1st Meeting is scheduled for **Monday, October 25, 2010 from 6:00 p.m. to 8:00 p.m. at CARE's Lower Level Conference Room.** We will have an introduction to T3 and an educational presentation on Alcohol, Tobacco and Other Drugs 101. We will have pizza for dinner!

We are always welcoming new members to T3 so please join us! If you would like to join T3 or would like more information, please contact me.

Sincerely,

Melissa DiPirro
