

“The staff at CARE’s WorkLife Solutions is very helpful, continuing to provide us updates, literature, newsletters and other information. They provide our employees informational flyers, paycheck stuffers, emails and website access regarding their programs, and additional employee assistance services. This type of contact and information reminds our employees that CARE’s WorkLife Solutions is truly a resource and benefit for them and their families.”

Kathy Bosheers, Clerk
Washington Township

WORKLIFE SOLUTIONS

Testimonials

Life Happens.
We can help.

“CARE staff is very attentive to our questions or needs and always seem to tailor their trainings and services to our specific staff issues. We are fortunate to have their consultation support services and they truly provide ‘real solutions for real business’.”
