Peer Recovery Coach – Beaumont Collaboration

This role is in collaboration with a family medical practice

(hourly pay rate: \$15.00)

Applicants must be in long term recovery from a substance use disorder.

Apply for this position at: www.careofsem.com/employment

We have immediate openings on our Peer Recovery Team for passionate individuals who have successfully been in long term recovery from a substance use disorder. This position supports people in the Beaumont medicated assisted treatment program and connects individuals to a larger community of care. The peer coach provides peer support services, and delivers service in a short term setting by supporting and participating as part of the interdisciplinary team in the Beaumont Family Practice Clinic. Not all inclusive, duties include:

Duties and Responsibilities:

- Provide direct services to individuals as assigned.
- Ensures compliance is adhered to accordance to the organization and funding source standards.
- Demonstrates in practice there are multiple pathways to recovery.
- Educate, assist, and support family members, as requested.
- Documents information for established metrics and outcomes as required.
- Participates in ongoing recovery coach training, education and performance support.
- Knowledgeable of national and local substance use and prevention statistics and demonstrates the ability to apply current trends to service delivery.

Education:

- High school diploma or equivalent
- One year experience as a peer coach
- This position requires an individual to become certified as a Peer Recovery Mentor (CPRM) after hire. The certification process involves completing a development plan with the Michigan Certification Board for Addiction Professionals (MCBAP), participating in continuing education, and completing an examination. Individuals have a 2 year time period to complete this process. For more information about the process, please visit MCBAPs website: www.mcbap.com.
