Peer Recovery Coach

(Hourly pay rate: \$15.00)

CARE has partnered with Michigan Works to hire five Peer Recovery Coaches under the Disaster Recovery Dislocated Worker Grant. Individuals eligible for hire must meet the following criteria in addition to the minimum qualifications listed below. If you are unsure if you qualify please call to inquire!

Do you, a friend, or any member of your family have a history of opioid use? AND meet one of the following:

- A Dislocated Worker (please see <https://www.michigan.gov/wda/0,5303,7-304-64361-305365--,00.html> for details)
- Temporarily or permanently laid off as a consequence of the opioid epidemic.
- A long-term unemployed individual.
- A self-employed individual who became unemployed or significantly underemployed as a result of the opioid epidemic.

Minimum Qualifications:

- High school diploma or graduate equivalent degree required.
- Must be in long term recovery from a substance use disorder.
- Preferred certificate of completion: from Connecticut Community for Addiction Recovery (CCAR) Recovery Coach Academy.
- One year of peer coaching or related experience preferred.
- Must possess active status in certification by either:
 - Certified Peer Recovery Coach and/or Certified Peer Recovery Mentor (CPRM); or
 - be on a CARE development plan to obtain a CPRM

Duties and Responsibilities:

- Provide direct services primarily in-person to individuals as assigned.
- Demonstrates in practice there are multiple pathways to recovery.
- Able to deliver service in a short term setting by applying the screening brief intervention and referral to treatment model (SBIRT), when applicable.
- Work cooperatively and effectively with personnel of assigned site, for example: emergency department staff.
- Establish and maintain liaison relationships with appropriate agencies.
- Facilitate timely referral and placements from hospital to treatment/recovery support providers.
- Connect individuals to a larger community of care.
- Educate, assist, and support family members, as requested.
- Knowledgeable of national and local substance use and prevention statistics and demonstrates the ability to apply current trends to service delivery.
