

Teen Intervene

Teen Intervene is designed to provide education, support, and guidance for teens who have experienced mild to moderate substance use.

This program also offers parents and guardians the opportunity to learn healthy communication skills and the importance of establishing family rules surrounding substance use.

Anyone who is concerned about a teen's substance use can refer him/her to this program. The teen and parent/guardian segments will run simultaneously.

This is a three session workshop. To register, visit www.careofsem.com or call 586.541.2273. **Registration is due, Friday, February 25, 2022.**
